Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Sunday 04 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers or rain across the north, some clear spells elsewhere.

This Evening and Tonight:
Heavy showers across Wales and central and southern England largely dying back to western and southern coasts to leave clear spells. Further north mostly cloudy with showers or rain, some heavy. Cool in rural spots in the south otherwise mild.

Monday:
Continuing mostly cloudy with showers or rain, some heavy, across Northern Ireland and Scotland. Warm with sunny spells and fewer showers further south. Rain into the southwest and south later.

Outlook for Tuesday to Thursday:
Strong winds and heavy rain for some central/southern areas early Tuesday, with scattered, heavy showers and thunderstorms elsewhere. Further heavy showers/thunderstorms Wednesday, becoming more settled Thursday.
